Calling All Deaf Citizens!

Included with this issue is a list of Utah representatives.

Why? The Comprehensive Community Center for the Adult Deaf -- or Center for the Deaf, in short -- is now being discussed in the Public Education Committee sub committee.

The deaf community needs YOU -- yes, YOU -- to see your representative and let him/her know we want the Center. Do it NOW -- not later. The end of the legislative session is coming!

Tell your rep that the State Office of Education supports the Center, and ask him/her to support the State Building Board request for funds to build the Center.

NOW is the time!

Of Interest to Interpreters

Dr. Armin Turchek of the University of Arizona and Annette Long, interpreter, will be conducting a workshop for training interpreters of the deaf on Friday, April 3 and Saturday, April 4. A grant enables them to travel in the region to give workshops.

All interpreters in Utah, and interested deaf persons, are invited to attend. The agenda will be mailed in late March to URID members.

All will take place at the Airport Hilton near the Salt Lake Airport. Alden Broomhead is the chairman and plans to give more information on costs and details of the convention in the next Bulletin.
